

Marne Oberg

Vice President, Human Resources

Marne Oberg is the Vice President of Human Resources at Innova Solutions and supports HireGenics and Volt within the Innova family of brands. A proven leader with a history of success driving change and achieving business results, Marne has demonstrated the ability to assess organizational needs and initiate creative strategies to help companies achieve their objectives. Marne offers a comprehensive background in all aspects of human resources, combined with strong business acumen and excellent communication skills.

With more than 30 years of professional experience, Marne has been part of the Innova Solutions team since 2013. Prior to Innova Solutions, she was the Vice President, Human Resources & Corporate Communications at Analysts International Corporation (AIC) - now a part of the Innova Solutions family. Marne started her career in Communications as a Public Relations Manager at Fairview Health Services and has continued to demonstrate her remarkable talent throughout the course of her career.

Marne is a strong leader and strategic business partner who enables organizational strategy through human capital initiatives. Her primary areas of focus include talent acquisition and management, training and development, compensation, organizational design, internal communications, and change management. She is particularly passionate about company culture and the role it plays in helping businesses grow and transform. Marne holds a bachelor's degree in Speech Communications from the University of Minnesota - Twin Cities.
